

WILLIMANTIC

Will Furnish Biggest Quota for State.

The seventeenth exemption board, with headquarters in this city, will furnish more men for the draft which is to take place the last of this month than any other board in the state. Board No. 3 of Hartford is its nearest competitor, with 80 men, but 42 are to go from this city.

The orders, which were received by the local exemption board, Wednesday said that 53 1917 men and 24 1918 men were to be sent. By re-examination, the number of 1917 men has been reduced, so more than 24 1918 men will be sent. This call will exhaust the 1917 class and take nearly all in the 1918 class up to order number 80. The men are to leave Tuesday, August 27, for Greenleaf, Georgia.

Fenton-Reed.
Private Fred A. Fenton of Camp Devens, who was drafted from this city, married Miss Maybelle Reed, daughter of Charles A. Reed of Worcester, in Worcester, Saturday. The bride will live with her parents for the duration of the war.

Private Fenton is the brother of Frank P. Fenton of this city and left Willimantic July 25. Before being called for the National army, he was a government entomologist, employed in the West.

Corporal Paul Iogolevitch to Address War Rally.

Corporal Paul Iogolevitch, who will address the war rally to be held at 7:30 o'clock tonight, was a member of the United States Employment Service office of this city. He is coming from New York on the 4:32 p. m. train, to fill his speaking engagement. An added attraction will be vocal selection by Mrs. Henry J. Mathieu of Ash street. Mrs. Mathieu is soprano soloist in the St. Joseph church and has a brother in the service. Wheeler's band has been engaged to give a concert. In order to give the crowd an opportunity to demonstrate their patriotism in a vocal way, the musicians will play "Keep the Home Fires Burning" and "The Star Spangled Banner." Every one will be asked to join in the singing of these songs, so familiar to all. Mrs. Mathieu will sing the solo part of "Keep the Home Fires Burning" accompanied by the band. Her other selection will be "If I'm Not at the Front, I'll Be in the Back." Mrs. Mathieu's brother, Dr. W. P. S. Keating, is a lieutenant in the Medical Corps and is now engaged in active service in France.

Corporal Iogolevitch has come out of the world war with a fund of experience and a record of distinguished service. Twice he received the Cross of St. George and two other military medals for gallantry in action. Besides these honors he has had the distinction of being decorated by the late Czar Nicholas. He is a unique

war figure because he started fighting at the early age of 12 years, when the war first broke out, and was with the Russian army through a great part of that war. His splendid service on the field of battle has come to an end because the wounds and privations he suffered have made him unfit for further service. He was wounded, taken prisoner, and gassed.

He will add a feature to the musical program because he brings his violin with him, being a violinist of considerable ability. He will play several Russian selections. The United States shipping board, emergency fleet corporation, is co-operating with the local office in bringing the corporal to Willimantic.

It is hoped in the future to secure the services of the Willimantic Liberty chorus at these patriotic meetings. Mr. Caswell, director of the chorus, is absent from the city, but an effort will be made to secure a large representation of members at the rally tonight and seats will be reserved for them in the grandstand.

The concert to be given by Wheeler's band will include:
Hymns of the Allies.
March, Rally Round the Flag.
Overture, Black Queen.
Intermezzo, Just a Gem.
Serenade, Night in June.
Songs of Today.
March, De Molay Commandery.
Star Spangled Banner.

Was Member of Company L.

A Clean, Cool Scalp

Parisian Sage Stops Itching, Keeps the Scalp Cool—Prevents Dandruff. Almost everybody nowadays knows that Parisian sage, the invigorating hair restorer, is guaranteed to remove every trace of dandruff, stop falling hair and itching scalp. The cost, small as it is, will be refunded.

But you should know more about this marvelous hair grower. You ought to know that it immediately destroys all odors that are bound to come from the excretions of the scalp, and in five minutes after an application, no matter how hot the scalp, your head will feel cool and comfortable.

Everyone should have a bottle of Parisian sage hand, because it is such a pleasant and exhilarating hair treatment. Ladies use it because they know it is delicately perfumed, not sticky or greasy, and surely does make the hair beautiful, silky and abundant. Here's what a New York woman writes: "I have used Parisian sage two weeks only, yet in that time find my hair has wonderfully increased in beauty, thickness and luxuriance, but what surprised me most was the disappearance of all dandruff."

A large bottle of Parisian sage can be obtained from L. C. Murray Co. or at any good drug or toilet counter—it's not expensive.

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain How To Treat

Medical authorities state that nearly nine-tenths of all stomach troubles, indigestion, sourness, burning, gas bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, the food is delayed and food sour, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial stimulants are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Bile Beans and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bile Beans (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.
